Dear Ms. Wall:

On behalf of the Board, please accept our sincere appreciation for your participation on the planning committee for the Board's Martin Luther King, Jr. holiday observance, January 13, 1986.

As you know, the complexity of this activity went far beyond the usual scope of FEB EEO-related observances. You participated from the very beginning through the successful completion of the observance; we thank you for volunteering so much of your time to promote ideals so important to so many of our employees.

Again, thank you for your support of this important FEB activity.

Sincerely yours,

BERNARD M. KILBOURN, DDS
