Mrs. Romona Ashton Wall,
Director
People's Parks
343 East 30th Street
New York, New York 10016

Dear Mrs. Wall:

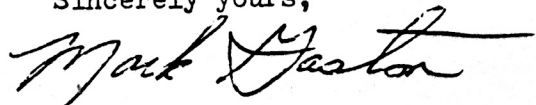

We would like to thank you for involving our Agency in the summer activities in conjunction with People's Park. Over three hundred (300) children in our community participated in Tournaments of Backgammon, Checkers, Table Tennis, Volley Ball and Basketball.

Our Basketball Program was one of the main attraction. We had Scouts, who heard of our Tournaments, came from as far away west as Oklahoma and far south as Georgia. We were fortunate enough for seven (7) of the youths to receive scholarships through basketball.

We would like to take a scholarship tour of Junior and Senior colleges in Oklahoma sometime in the month of January, 1979. We have spoken to the coaches of many different schools and they agreed to give us room and board. We are in desperate need of transportation. Enclosed, you will find a break-down of the cost for a bus for the trip.

We hope that you will give this matter your special attention. I am thanking you in advance.

Sincerely yours,

Mack Gaston, President
Tenant's Association
